On February 26, 2015, the British Columbia Securities Commission issued a cease trade order requiring all persons to cease trading in the securities of Huaxing until Huaxing files amended and restated audited financial information for the financial years ended December 31, 2013 and 2012. On June 9, 2015, the Alberta Securities Commission issued a cease trader order which required that all trading or purchasing cease in respect of the securities of Huaxing as a result of the failure by Huaxing to file: (i) annual audited financial statements, annual management's discussion and analysis, and certification of annual filings for the year ended December 31, 2014; and (ii) interim unaudited financial statements, interim management's discussion and analysis, and certification of interim filings for the interim period ended March 31, 2015.

Mr. He was also a director of SouthGobi Resources Ltd. (“**SouthGobi**”) which was subject to a cease trade order issued by the British Columbia Securities Commission on June 19, 2020 as a result of SouthGobi’s failure to file (i) annual audited financial statements, annual management’s discussion and analysis, and certification of annual filings for the year ended December 31, 2019; and (ii) interim unaudited financial statements, interim management’s discussion and analysis, and certification of interim filings for the interim period ended March 31, 2020. To the knowledge of the Company, save as disclosed above, no other proposed Director is or has been, within the past 10 years, a director, chief executive officer or chief financial officer of any company that:

- (a) was subject to an order that was issued while the proposed director was acting in the capacity as director, chief executive officer or chief financial officer; or
- (b) was subject to an order that was issued after the proposed director ceased to be a director, chief executive officer or chief financial officer and which resulted from an event that occurred while that person was acting in the capacity as director, chief executive officer or chief financial officer.

Individual Bankruptcies

To the knowledge of the Company, no other proposed Director of the Company is or has been, within the past 10 years, a director or executive officer of any company that, while that person was acting in that capacity or within a year of that person ceasing to act in that capacity, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or was or became subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold its assets of the proposed Director.

Penalties or Sanctions

The Company was notified by Mr. Bielin Shi, a nominee for Director at the Meeting, of an investigation and decision (the “**Decision**”) by the Shanghai Stock Exchange (the “**SSE**”) against Shandong Tyan Home Co., Ltd. (“**Tyan**”) together with its controlling shareholder and 21 current and former directors and officers of Tyan pertaining to certain breaches of continuous disclosure requirements in Tyan’s Annual and Semi-Annual reports for the periods 2014 through and including 2018. Mr. Shi served as Deputy General Manager of Tyan for a short period from July 2017 to March 2019. Mr. Shi was responsible for mineral exploration and investments held by Tyan. He did not have any responsibility for financial disclosure and was not involved with Tyan during most of the periods for which incorrect financial disclosure was filed, but was implicated in the Decision by virtue of serving as an officer of Tyan during the period in which financial reporting was filed for such periods in question. The Decision did not relate to any business or operations of Tyan in which Mr. Shi was involved in. Mr. Shi received a formal warning from the SSE and the China Securities Regulatory Commission and was imposed a fine of RMB30,000.

Mr. Shi resigned as Deputy General Manager of Tyan in March 2019 and was not involved in the regulatory proceeding against Tyan. Mr. Shi has informed the Company that he intends to appeal the Decision.

To the knowledge of the Company, no other proposed Director has been subject to any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority, or has been subject to any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable securityholder in deciding whether to vote for a proposed Director.

CORPORATE GOVERNANCE

Statement of Corporate Governance Practices

Corporate governance relates to the activities of the Board, the members of which are elected by and are accountable to the Shareholders, and takes into account the role of the individual members of management who are appointed by the Board and who are charged with the day-to-day management of the Company. The Board is committed to sound corporate governance practices which are in the interest of the Shareholders and also contribute to effective and efficient decision making. A description of certain corporate governance practices of the Company in accordance with Form 58-101F1 of National Instrument 58-101 of the Canadian Securities Administrators is attached as “Schedule A – Corporate Governance Disclosure to this Information Circular”.

Director Independence

The Board and the Nominating and Corporate Governance Committee considered the relationships of each of the Director nominees to the Company and determined that four of the nine proposed nominees for election as Directors qualify as INEDs. The Board and the Nominating and Corporate Governance Committee reviewed independence in light of the requirements of NI58-101, Section 311 of the TSX Company Manual in Canada and Rule 3.13 of the Hong Kong Listing Rules. The INED nominees are: Mr. Yingbin Ian He, Mr. Wei Shao, Mr. Bielin Shi and Ms. Ruixia Han. The non-independent Director nominees are: Mr. Liangyou Jiang, Mr. Shiliang Guan, Mr. Weibin Zhang, Ms. Na Tian and Mr. Junhu Tong. The INED nominees have each confirmed their independence accordingly.

Pursuant to the code provision in paragraph A.4.3 of the Corporate Governance Code set out in Appendix 14 to the Hong Kong Listing Rules, any further appointment of INEDs serving more than nine years should be subject to a separate resolution to be approved by Shareholders. Mr. Yingbin Ian He has served on the Board for more than nine years. Mr. Yingbin Ian He has not been involved in the daily management of the Company nor in any relationships or circumstances which would impair their independent judgment. Mr. Yingbin Ian He has consistently demonstrated his ability to provide independent, balanced and objective advice and insight on the Company’s affairs. In addition, the Board is of the opinion that Mr. Yingbin Ian He continues to be independent after reviewing and assessing his annual confirmations of independence based on the criteria set out in Rule 3.13 of the Hong Kong Listing Rules. Accordingly, the Board recommends Mr. Yingbin Ian He for re-election at the AGM.

The INEDs, namely each of Mr. Yingbin Ian He, Mr. Wei Shao, Mr. Bielin Shi and Ms. Ruixia Han, are subject to a separate ordinary resolution to be approved by Shareholders at the AGM. The Board has complied with the Corporate Governance Code Provision E.1.1 with regard to the requirement to propose a separate resolution in respect of each substantially separate issue at any annual general meeting. It is the Company’s practice that separate resolutions were proposed at AGM’s for the re-election of each individual Director nominee whether such Director is an executive Director, a non-executive Director or an INED. Accordingly, re-election of each individual Director nominee will be voted on individually at the AGM.

In addition, the Audit Committee is currently comprised exclusively of INEDs. Each of the Compensation and Benefits Committee, Nominating and Corporate Governance Committee and Health, Safety and Environmental Committee are currently comprised by a majority of INEDs. If all of the INED nominees proposed by management for election to the Board are elected at the Meeting, it is expected that they will be appointed to each of the Audit Committee, Compensation and Benefits Committee, Nominating and Corporate Governance Committee and Health, Safety and Environmental Committee. The Audit Committee will continue to be comprised exclusively of INEDs with the Compensation and Benefits Committee, Nominating and Corporate Governance Committee and Health, Safety and Environmental Committee comprised by a majority of INEDs.

COMPENSATION AND BENEFITS COMMITTEE

During the year ended December 31, 2021, the Compensation and Benefits Committee comprised Ms. Ruixia Han, Mr. Yingbin Ian He, Mr. Wei Shao, Mr. Bielin Shi and Mr. Weibing Zhang. Compensation Discussion and Analysis

Compensation and Benefits Committee and Compensation Philosophy

The Company's executive compensation program is administered by the Compensation and Benefits Committee. Following review and approval by the Compensation and Benefits Committee, decisions relating to executive compensation are reported to and approved by the Board.

The basic philosophy underlying the Company's executive compensation program is that the interests of the Company's executive officers should be aligned as closely as possible with the interests of the Company and its Shareholders as a whole. The Company attempts to bridge its compensation practices with the norms for listed issuers in North America and the norms for Chinese companies. At the same time, the Company recognizes that competition in the mining industry for highly skilled employees is intense and that the levels of compensation offered by the Company must be comparable to those offered by its competitors in order to attract, retain and motivate executive personnel of the highest caliber.

The Compensation and Benefits Committee assess the individual performance of the Company's executive officers and makes recommendations to the Board. Based on these recommendations, the Board makes decisions concerning the nature and scope of compensation to be paid to the Company's executive officers.

Compensation for the Company's senior executive officers has been traditionally determined with regard to the following considerations in approximately equal level of importance:

- (a) the desirability of providing a strong incentive to management to work as a team to achieve the Company's corporate long-term and short-term business development goals;
- (b) the principle that the economic interests of management and those of the Shareholders should be aligned as closely as reasonably possible;
- (c) the competitive environment that exists in the mining industry for the recruitment and retention of qualified personnel and the resulting need to offer levels of executive compensation that are comparable to those offered by the Company's competitors; and
- (d) the development of the Company's business.

The criteria upon which these recommendations are based have reflected the Company's views as to the nature and value of the contributions made by its executive officers to the achievement of the Company's corporate plans and objectives.

The Company's compensation decisions have been largely subjective, based on the Company's compensation philosophy and in particular focusing on retention and available resources.

How the Company makes Compensation Decisions

The Compensation and Benefits Committee reviews levels of cash compensation on an ad hoc basis, and makes recommendations to the Board to adjust cash compensation in light of individual and Company performance, improvements in job proficiency, retention risks, succession requirements and compensation changes in the market. The Compensation and Benefits Committee also reviews the corporate goals and objectives relevant to the compensation of the senior executive officers as needed and at least annually based on recommendations from the Chief Executive Officer and other members of the management team. The Board maintains discretionary authority over all compensation awards.

The Compensation and Benefits Committee makes its determinations as to overall compensation levels on the basis of both available third-party data regarding comparable compensation at similar size companies as well as their own industry experience, hiring and retention needs and other subjective factors. The Compensation and Benefits Committee has not formalized a peer comparator group for purposes of making compensation decisions although the Company's compensation practices compare favorably with other Toronto Stock Exchange and Hong Kong Stock Exchange listed issuers with producing mines. Compensation decisions are not currently made on the basis of the achievement of pre-determined objective benchmarks or goals for the various management positions.

Salary Compensation

Salaries are reviewed upon hiring decisions and then again at least annually. Salary adjustments for the following year are considered based on a variety of factors, including the individual's performance and contributions, improvements in job proficiency, retention risks, succession requirements and compensation changes in the market and available cash resources.

Consistent with the practice established by his predecessors with the support of CNG, since his appointment as Chief Executive Officer of the Company, Mr. Liangyou Jiang has chosen not to receive any compensation, salary or otherwise, from the Company for carrying out the duties of such role.

Bonus Compensation

Executive officers of the Company are eligible for annual incentive compensation in the form of a bonus in cash. Annual incentive awards are based on an assessment of performance of a combination of Company, business unit and individual performance, as well as a consideration of overall compensation targets and market changes. To date, the Company has not implemented a formalized approach to bonuses, although the Company assesses quantitative and qualitative economic measurement criteria to develop a more objective approach to determining annual bonuses.

For the 2021 financial year, the Company did not award any annual incentive bonuses to any Named Executive Officers.

Other Compensation

The Company does not maintain a current stock option plan. For more information, see "Securities Authorized for Issuance under Equity Compensation Plans".

The Company does not maintain a pension plan or other long-term compensation plan.

For the 2021 financial year, the Company did not provide any other material compensation for its Named Executive Officers beyond the salaries disclosed above.

Compensation Governance

For the most recently completed financial year ended December 31, 2021 no fees were billed by any consultant or advisor for services related to determining compensation for any of the Company's Directors and executive officers.

Compensation Risk Management

The Board has considered the implications of the risks associated with the Company's compensation policies and practices. The Board has ultimate oversight of the risks associated with the Company's compensation policies and practices, and carefully reviews the risks associated with the Company's compensation structure. The Company's compensation policies and practices are heavily influenced by those of CNG and other Chinese mining companies. The Company's current compensation structure consists of cash compensation in the form of salary and bonus compensation. The Company does not currently maintain an equity incentive plan nor does it maintain a long-term incentive plan. The Company will adopt a more formalized approach to compensation risk management as its compensation practices evolve. The Company uses the following practices to identify and mitigate compensation policies and practices that could encourage an individual to take inappropriate or excessive risks: (i) the Compensation and Benefits Committee completes an annual review of all forms of compensation provided to the Named Executive Officers, Directors and top paid employees; and (ii) the Board completes an annual review of the Company's compensation philosophy and components. There are no identified risks arising from the Company's compensation policies and practices that are reasonably likely to have a material adverse effect on the Company.

Financial Instruments

The Company does not have a written policy which restricts its executive officers and Directors from purchasing financial instruments that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the executive officers or Directors.

Long-term Incentive Plan ("LTIP") Awards

The Company does not have a LTIP pursuant to which cash or non-cash compensation intended to serve as an incentive for performance (whereby performance is measured by reference to financial performance or the price of the Company's securities) was paid or distributed to any directors, executive officers or employees during the financial year ended December 31, 2021.

Defined Benefit and Pension Plans

The Company does not presently provide any defined benefit, pension plan or deferred compensation to its Directors, executive officers or employees.

Outstanding share-based awards and option-based awards

There are no outstanding share-based awards and option-based awards held by any of the Named Executive Officers of the Company as of December 31, 2021.

Incentive Plan Awards – value vested or earned during 2021

There are no outstanding incentive plan awards held by any of the Named Executive Officers of the Company as of December 31, 2021.

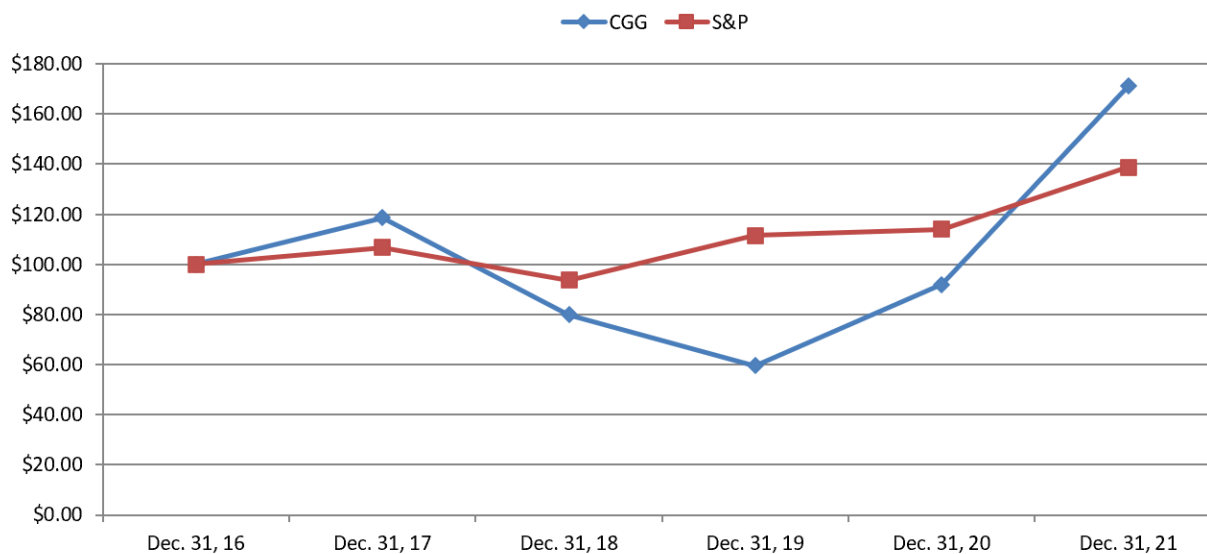

Termination of Employment, Change in Responsibilities and Employment Contracts

The Company has employment contracts with each of its Named Executive Officers with the exception of Liangyou Jiang, who does not receive any compensation for acting as Chief Executive Officer. Under employment contracts with the Named Executive Officers, the Named Executive Officers may terminate their employment on notice to the Company. In the case of Mr. Jerry Xie, , Mr. Zhongxin (Gerard) Guo and Mr. Huan Cai, one month's notice is required. In the case of Liangyou Jiang, Ms. Yuehe Lu, Mr. Shiling Guan, the Company has a strong working relationship with CNG and would terminate employment through that relationship.

Under employment contracts with the Named Executive Officers, the Company may terminate Mr. Jerry Xie's, Mr. Zhongxin (Gerard) Guo's, or Mr. Huan Cai's employment for cause, or without cause upon one month's notice or lump sum payment equivalent. In the event of a change of control of the Company and if the employment contract of Mr. Jerry Xie is terminated within twelve months of such change of control, Mr. Jerry Xie will be entitled to the earlier of either 18 months' salary or when the alternate employment is commenced.

SCHEDULE A CORPORATE GOVERNANCE DISCLOSURE

NI 58-101 requires the Company to disclose its corporate governance practices with reference to a series of corporate governance practices outlined in National Policy 58-201 – *Corporate Governance Guidelines* that the Canadian Securities Administrators (“**CSA**”) believe reflect “best practices” standards to which they encourage Canadian public companies to adhere.

1. Board of Directors

- (a) Disclose the identity of directors who are independent.

The Board has reviewed the independence of each director on the basis of the definitions in section 1.4 of National Instrument 52-110 (“**NI 52-110**”), as amended. A director is “independent” if he or she has no direct or indirect material relationship with the Company. A “material relationship” is one that would, or in the view of the Board could, be reasonably expected to interfere with the exercise of a director’s independent judgment. The Board has determined, after reviewing the roles and relationships of each of the nominees proposed by management for election to the Board, that 44% (4 of 9) of such nominees are independent from the Company. The Company has determined that Mr. Yingbin Ian He, Mr. Wei Shao, Mr. Bielin Shi and Ms. Ruixia Han are INEDs and have no material connection to the Company, other than as directors.

- (b) Disclose the identity of directors who are not independent and describe the basis for that determination.

The Board has determined, after reviewing the roles and relationship of each of the nominees proposed by management for election to the Board that 56% (5 of 9) of such nominees are not independent of the Company. The Company has determined that Mr. Liangyou Jiang, Mr. Shiliang Guan, Mr. Weibin Zhang, Ms. Na Tian and Mr. Junhu Tong are not independent of the Company. Liangyou Jiang is not considered independent of the Company because of his senior role as Chairman and Chief Executive Officer of the Company. Mr. Shiliang Guan, Mr. Weibin Zhang, Ms. Na Tian are not considered independent because of their roles as officers of the Company. Mr. Junhu Tong is not considered independent of the Company because of his senior role at China Gold Hong Kong.

- (c) Disclose whether or not a majority of directors are independent. If a majority of directors are not independent, describe what the Board does to facilitate its exercise of independent judgment in carrying out its responsibilities.

As of the Last Practicable Date, four of nine current Board members are INEDs. If each nominee put forward in this Information Circular are elected as directors, Messrs. He, Shao and Shi and Ms. Han, being 44% of the Board, will be considered independent. Although the majority of the director nominees are not independent the Board believes that its current size and composition results in balanced representation among management and non-management directors and enables the INEDs to adequately facilitate the exercise of independent supervision over management. The Company’s Nominating and Corporate Governance Committee is currently composed of a majority of INEDs and one non-executive director and monitors the disclosure of conflicts of interest by the directors and ensures that no director votes on a matter in respect of which he has a material interest. The Company’s Nominating and Corporate Governance Committee will continue to examine the size and composition of the Board and recommend adjustments from time to time to ensure that the Board continues to be of a size that facilitates effective decision-making. The Company has been committed to improving the governance structure as a listed company. The Company established the role of “Lead Independent Director”. Mr. Yingbin Ian He was appointed as Lead INED as of November 13, 2018. The role of Lead INED was created to liaise with Chairman and Chief Executive Officer on behalf of the INEDs and advise

the Board on matters where there may be an actual or perceived conflict of interest to ensure the best possible operation of the Board in accordance with the best corporate governance practices.

- (d) If a director is presently or in the last three years a director of any other issuer that is a reporting issuer (or the equivalent) in a jurisdiction or a foreign jurisdiction, identify both the director and the other issuer.

Information respecting those entities that are reporting issuers (or the equivalent) in Canada or elsewhere in which any of the nominees for election as directors also act as directors, is disclosed in the table containing information about each nominee in the section of this Information Circular entitled "Director Biographies". Other than as disclosed therein, none of the current or proposed directors act as directors of any entities that are reporting issuers (or the equivalent) in Canada, Hong Kong or elsewhere.

- (e) Disclose whether or not the INEDs hold regularly scheduled meetings at which members of management are not in attendance. If the INEDs hold such meetings, disclose the number of meetings held since the beginning of the issuer's most recently completed financial year. If the INEDs do not hold such meetings, describe what the Board does to facilitate open and candid discussion among its INEDs.

Although the INEDs do not hold regularly scheduled meetings, they may meet without management being present at the request of any director. The frequency of meetings as well as the nature of agenda items changes depending upon the state of the Company's affairs and in light of opportunities or issues that the Company may face. The Board concluded that it would be appropriate to have a joint Chief Executive Officer and Chairman as the Company previously established the role of a “Lead Independent Director” to ensure that the Board’s agenda will enable it to successfully carry out its duties in line with best practices for corporate governance. Mr. Yingbin Ian He was appointed Lead Independent Director as of November 13, 2018. Each of Mr. Wei Shao, Mr. Bielin Shi and Ms. Ruixia Han receive a director's fee of US\$3,825 per month consistent with the current remuneration of the Company's INEDs, which is determined with reference to the market rate and their time, effort and expertise to be devoted to the Company's affairs. When identifying candidates for election or appointment to the Board, the Nominating and Corporate Governance Committee is guided by the principles of its diversity policy adopted by the Company in 2014, setting out the diversity criteria representing genders, age, cultural communities and geographic areas. The Company recognizes and embraces the benefits of diversity of Board members. The Nominating and Corporate Governance Committee works hard to ensure that the Board has a balance of skills, experience and diversity of perspectives appropriate to the requirements of the Company's business. All Board appointments will continue to be made on a merit basis with due regard for the benefits of diversity of the Board members. Selection of candidates will be based on a range of diversity perspectives, including, but not limited to, (i) business experience; (ii) specialized skills and other experiences; (iii) race, ethnicity, international background, gender and age; (iv) applicable regulatory requirements; and (v) issues involving possible conflicts of interest. The Nominating and Corporate Governance Committee adopted a Majority Voting Policy for the election of the directors pursuant to the TSX requirements of listed companies. 10. Director Term Limits and Other Mechanisms of Board Renewal

Directors can be re-elected to the Board annually. The Board has not adopted a term limit for directors or established a retirement age for directors. The Company believes that the imposition of director term limits implicitly discounts the value of experience and continuity on the Board and runs the risk of excluding effective Board members who have longstanding knowledge of the Company and its operations as a result of an arbitrary determination. All Board appointments will continue to be made on a merit basis with due regard for the benefits of diversity of the Board members. Selection of candidates will be based on a range of diversity perspectives, including, but not limited to, (i) business experience; (ii) specialized skills and other experiences; (iii) race, ethnicity, international background, gender and age; (iv) applicable regulatory requirements; and (v) issues involving possible conflicts of interest. The ultimate decision will be made upon the merits and contribution that the selected candidates will bring to the Board;

Ms. Ruixia Han was appointed as a Director on June 25, 2019 and Ms. Na Tian was appointed as a Director in June 16, 2020. At this time, there are no measurable objectives for achieving diversity. As Board positions become available, Board appointments will continue to be based on merit, having due regard to the overall effectiveness of the Board and diversity will be one of the criteria considered in determining the optimum composition of the Board.

12. Consideration of the Representation of Women in the Director Identification and Selection Process

Disclose whether and, if so, how the Board or nominating committee considers the level of representation of women on the Board in identifying and nominating candidates for election or re-election to the Board. In accordance with its Diversity Policy, the Company has not adopted a target or quota regarding women on its Board or executive management, as it considers gender diversity to be part of a broader diversity goal which includes age, gender, ethnicity, cultural background, disability or other personal factors. Diversity, including gender diversity, is one aspect of merit which includes an individual's skills, performance, values, leadership and other job-related criteria. While the Board is not setting any targets initially, it will monitor progress and could decide to do so in the future if progress is not being made in obtaining appropriate diversity.

- (b) Disclose whether the issuer has adopted a target regarding women on the issuer's board. If the issuer has not adopted a target, disclose why it has not done so.

SCHEDULE B SHARE REPURCHASE MANDATE

This Schedule serves as an explanatory statement, as required by the Hong Kong Listing Rules, to provide all the information reasonably necessary to enable Shareholders to make an informed decision on whether to vote for or against the ordinary resolution to approve the Share Repurchase Mandate.

HONG KONG LISTING RULES RELATING TO THE REPURCHASE OF SHARES

The Hong Kong Listing Rules permit companies whose primary listing is on the Hong Kong Stock Exchange to repurchase their shares on the Hong Kong Stock Exchange, Toronto Stock Exchange or other stock exchange subject to certain restrictions. The Company is empowered by its Articles to repurchase its own shares.

SHARE CAPITAL

As of the Latest Practicable Date, the issued and outstanding share capital of the Company comprised **396,413,753** fully paid up Shares. Subject to the passing of the proposed resolution for the approval of the Share Purchase Mandate and in accordance with the terms therein, and on the basis that no further Shares will be issued or repurchased prior to the Meeting, the Company will be allowed to repurchase up to a maximum of **39,641,375** Shares under the Share Repurchase Mandate, representing **10%** of the number of issued Shares of the Company as of the Latest Practicable Date.

REASONS FOR THE REPURCHASES

The Board believes that the flexibility afforded to them by the Share Repurchase Mandate would be in the best interests of the Company and the Shareholders. Repurchases pursuant to such mandate may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets and/or the earnings per share and will only be made when the Board believes that such actions will benefit the Company and the Shareholders as a whole. Notwithstanding the foregoing, any repurchase of the Company's securities as contemplated in the Share Repurchase Mandate will still require compliance with Canadian securities laws and, the rules and regulations of the Toronto Stock Exchange and the Hong Kong Listing Rules.

FUNDING OF REPURCHASES

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its Articles and the *Business Corporations Act* (British Columbia). It is expected that the Company will fund any repurchase of Shares from its available internal resources.

Pursuant to the *Business Corporations Act* (British Columbia), a company may not redeem or repurchase any of its share capital if it is insolvent at the time of such redemption or repurchase or, if by virtue of such redemption or repurchase, would become insolvent.

IMPACT ON THE WORKING CAPITAL OR GEARING POSITION

If the Share Repurchase Mandate is exercised in full at any time during the Relevant Period, there may be a material adverse effect on the working capital requirements of the Company or its gearing levels, as compared with the position disclosed in the Company's audited financial statements for the year ended December 31, 2021 (the most recent published audited financial statements). However, the Board does not propose to exercise such mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing levels of the Company at the time of the relevant repurchases unless the Board determines that such repurchases are, taking into account of all relevant factors, in the best interests of the Company.

EFFECT OF THE CODE OF TAKEOVERS AND MERGERS OF HONG KONG (“TAKEOVERS CODE”)

A Shareholder’s proportionate interest in the voting rights of the Company will increase upon the Company’s exercise of its powers to repurchase the Shares pursuant to the Share Repurchase Mandate, and such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder or a group of Shareholders acting in concert, depending on the level of increase in his/her or their shareholding interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As of the Latest Practicable Date, CNG, through its wholly owned subsidiary, CNGGHK, held **158,588,330** Shares, representing **40.01%** of the issued Shares of the Company. On the basis that no further Shares are issued or repurchased prior to the Meeting and in the event that the Board exercises in full the power to repurchase Shares pursuant to the Share Repurchase Mandate, the shareholding interest held by CNG (through CNGGHK) would be increased to approximately **44.45%** of the issued share capital of the Company. Such increase would give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code. In such an event, the Board will take all steps necessary to comply with the Hong Kong Listing Rules and Takeovers Code.

In addition, assuming that there is no issue of Shares between the Latest Practicable Date and the date of repurchase, an exercise of the Share Repurchase Mandate whether in whole or in part will not result in less than 25% of the issued share capital of the Company being held by the public, being the prescribed minimum percentage of shares required under the Hong Kong Listing Rules. The Board has no intention to exercise the Share Repurchase Mandate to the extent that it may result in a public shareholding of less than the prescribed minimum percentage under the Hong Kong Listing Rules.

DIRECTORS, THEIR CLOSE ASSOCIATES AND CONNECTED PERSONS

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their respective close associates (as defined in the Hong Kong Listing Rules), has any present intention to sell Shares to the Company in the event that the Share Repurchase Mandate is approved by the Shareholders.

The Company has not been notified by any core connected person (as defined in the Hong Kong Listing Rules) of the Company that he has a present intention to sell Shares to the Company or has undertaken not to sell Shares held by him to the Company in the event that the Share Repurchase Mandate is approved by the Shareholders.

UNDERTAKING OF DIRECTORS

The Directors have undertaken to the Hong Kong Stock Exchange that they will exercise the power of the Company to make repurchases pursuant to the Share Repurchase Mandate in accordance with the Hong Kong Listing Rules, Canadian laws and the Articles of the Company.

SHARE PURCHASE MADE BY THE COMPANY

The Company has not purchased any of its Shares whether on the Hong Kong Stock Exchange or otherwise in the six months preceding the Latest Practicable Date.
