

China Gold International Resources Provides 2025 Annual Production Guidance and Reports its Jiama Mine's Operation Unaffected by the Earthquake

VANCOUVER, January 12, 2025 - China Gold International Resources Corp. Ltd. (TSX: CGG; HKEX: 2099) ("**China Gold International Resources**" or the "**Company**") provides 2025 annual production guidance and reports its Jiama Copper-Gold Polymetallic Mine's (the "**Jiama Mine**") operation unaffected by the earthquake in Tibet Autonomous Region.

2025 Annual Production Guidance

The Jiama Mine:

- The copper production will be approximately between 139 million pounds (63,000 tonnes) and 148 million pounds (67,000 tonnes);
- The gold production will be approximately between 69,124 ounces (2.15 tonnes) and 73,947 ounces (2.3 tonnes);

The CSH Mine:

- The total gold production is estimated between 77,162 ounces (2.4 tonnes) and 83,592 (2.6 tonnes).

The Company reports that the Jiama Mine's operation was unaffected by the earthquake that occurred in Dingri County, Shigatse City, Tibet Autonomous Region (approximately 500 kilometers from the Jiama Mine in Maizhokunggar County) on January 7, 2025. As a precautionary measure, safety protocols were immediately implemented across all the mining areas in the Jiama Mine.

The Company's Chairman and CEO, Mr. Chenguang Hou, said, "In 2024, the Company resumed the production at the Jiama Mine and achieved profitability in the third quarter. In 2025, while maintaining steady operation, the Company will implement the established development plan for the Jiama Mine and accelerate the development of underground resources at the CSH Mine, striving to deliver better performance and higher returns to its shareholders."

2024 Final Year-End Results

The Company expects to report its audited 2024 Financial Statements, Notes to the Financial Statements and Management's Discussion and Analysis by the end of March 2025. In connection with the release, the management will hold its annual roadshow events to discuss the Company's year-end results and performance.

About China Gold International Resources

China Gold International Resources is a gold and base metal mining company incorporated in BC, Canada and operates two mines, the CSH Gold Mine in Inner Mongolia, China and the Jiama Copper-Gold Polymetallic Mine in Tibet, China.
